1456 Warehouse Drive, Mesquite, TX 75150

PROFESSIONAL OBJECTIVE

Safety-focused Reach Truck Operator with 4 years of warehouse experience and proven track record of accuracy in high-volume distribution environments.

PROFESSIONAL EXPERIENCE

Reach Truck Operator

DFW Logistics Distribution Center - Mesquite, TX | January 2020 - Present

- Operate reach trucks and order pickers in narrow aisle warehouse (30+ ft high racks)
- Load and unload trailers, averaging 200+ pallets per shift with 99.9% accuracy
- Perform cycle counts and inventory verification using RF scanners
- Maintain equipment through daily pre-shift inspections and minor repairs
- Consistently exceed productivity targets by 15-20% while maintaining safety standards
- Zero accidents or product damage incidents in 4+ years of operation
- Train new operators on equipment safety and warehouse procedures

Forklift Operator

Metro Warehouse Solutions - Dallas, TX | May 2018 - December 2019

- Operated sit-down forklifts for loading/unloading and staging operations
- Maintained accurate inventory records using WMS software
- Assisted with physical inventory counts and discrepancy resolution

EDUCATION

High School Diploma

North Mesquite High School - 2017
